

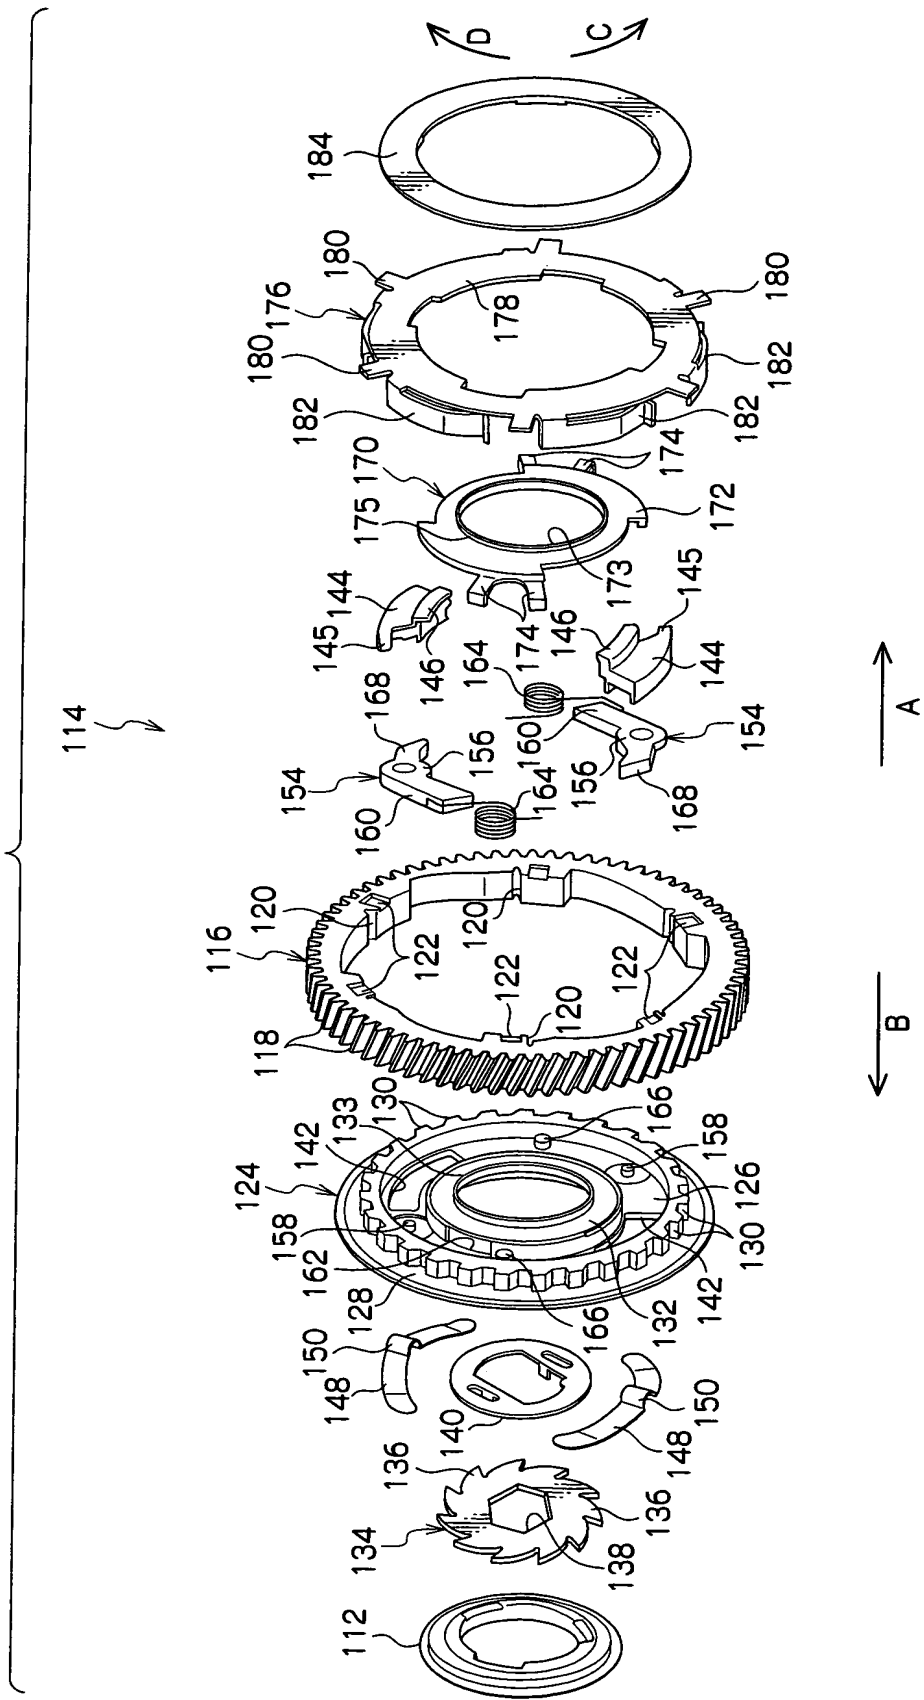

FIG.1

Exploded perspective view of a mechanical assembly. The components are labeled as follows:

- 112: Base or bottom housing.
- 116: Gear or ratchet wheel.
- 118: Gear teeth.
- 120: Internal housing or frame.
- 124: Cover or top housing.
- 130: Gear teeth on the cover.
- 132: Small component, possibly a pin or screw.
- 134: Component with a central hole.
- 136: Component with a central hole.
- 138: Component with a central hole.
- 140: Component with a central hole.
- 142: Component with a central hole.
- 144: Component with a central hole.
- 145: Component with a central hole.
- 146: Component with a central hole.
- 148: Component with a central hole.
- 150: Component with a central hole.
- 152: Component with a central hole.
- 154: Component with a central hole.
- 156: Component with a central hole.
- 160: Component with a central hole.
- 162: Component with a central hole.
- 164: Component with a central hole.
- 166: Component with a central hole.
- 168: Component with a central hole.
- 170: Component with a central hole.
- 172: Component with a central hole.
- 173: Component with a central hole.
- 174: Component with a central hole.
- 175: Component with a central hole.
- 176: Component with a central hole.
- 178: Component with a central hole.
- 180: Component with a central hole.
- 182: Component with a central hole.
- 184: Top cap or cover.

Arrows A, B, and C indicate movement directions.
